

FANCY BECOMING A YOUTH FAITH CHAMPION?

- More than ever, it is clear that faith plays an important part in some of the lives of young people in our country and a role that inspires social justice and common action for the good of communities.

We (Faith Matters, www.faith-matters.org) are a non profit organisation based in London.

- 5) Engage with elected members to raise their awareness on positive action undertaken by youth faith communities
- 6) Bring your ideas to Faith Matters so that the project can be shaped by you

To become a Youth Faith Champion, you need to :

- Be aged between 15 and 25 years old
